

WHOLESALE BANKING

Cash in Transit Services

Streamline your cash logistics

Enrol for Cash in Transit services to streamline your cash cycle process with seamless transportation of daily cash and cheques. We work with Transguard, the largest Cash in Transit provider in the UAE, to ensure all transfers are carried out following the highest security standards.

Benefit from best-in-class security standards

Reduce cost

Optimise operations

Move your cash safely

Our Cash in Transit service strictly adheres to security standards set by the Central Bank of UAE. Receive reports on every cycle of the transit - from cash pick-up, to reporting information to the bank for crediting customer accounts. Cash and cheques are transported securely using a sealed bag and the service is available across the UAE, 7 days a week.

Secure transportation of cash/cheques to the bank

Comprehensive management of the entire cash/cheque deposit cycle

Insurance cover for cash in transit

Security and reliability

Our Cash in Transit service ensures your peace of mind by simplifying operational responsibilities. State-of-the-art cash centres combined with high-security vaults, command and control centres as well as electronic vehicle tracking, ensures your cash is safe. Other advantages include customised deposit slips, capturing customer reference number in the bank statement and dedicated customer care service.

Simplify operational responsibilities

Most cash intensive businesses rely on Emirates NBD Cash in Transit services, benefitting from ease of operations and reduced costs. Enrol for our services today and secure your cash cycle with ease.

- > Get same day credit in Dubai up to 03:00 pm for pick-up
- > Delivery of change for cash and coins
